About Nuchev Limited

Nuchev is an Australian based, globally oriented food business with a dedicated focus on developing, marketing, and selling a range of premium Australian-made nutritional products. Nuchev’s primary products include its oli6[®] branded goat infant formula and nutritional range, which are sold across multiple sales channels currently focused predominantly in Australia and China. Oli6[®] products are formulated with the benefits of goat, supported by ongoing scientific research. Nuchev operates a capital-light business model, leveraging leading raw ingredient suppliers and Australian-based manufacturers in an established, secure, and scalable supply chain to deliver high quality products under a premium, trusted brand.
